V1

Billy Barone learned to
play the trombone, but so
sadly, each time he blew
a horrible BLAP
would come out loud and flat.
a bad blap was all he could do.

CHORUS

Oh no. Oh my. Oh yeah.
Oh no. Oh my. Oh yeah.

V2

Well, he's turned 53.
Still he waits, patiently
as he sits with his horn on his lap.
Because sometime, some day
they might ask him to play
when they need....
when they need a most horrible BLAP.

CHORUS

Oh no. Oh my. Oh yeah.
Oh no. Oh my. Oh yeah.
Oh no. Oh my. Oh yeah.
