## V1

Excuse me while I push you down  
and kick you in the knee.  
I apologize that I'm about  
to take your lunch money.  
I'll call you names. Forgive me please.  
And start another fight.  
'Cause I'm not the nicest kid in school.  
But I'm the most polite. (you're the nicest bully).

## CHORUS

So scream (scream, scream)  
Just scream (scream, scream)  
Just scream (scream, scream)  
Just scream (scream, scream)  
But not too much.

## V2

It's with regrets I'll pull your hair  
and make fun of you.  
I'm truly sorry for all the things  
that I'm about to do.  
I'll call you names. Forgive me please.  
And start another fight.  
'Cause I'm not the nicest kid in school  
but I'm the most polite (you're so sweet).

## CHORUS

So scream (scream, scream)  
Just scream (scream, scream)  
Just scream (scream, scream)  
Just scream (scream, scream)  
But not too much.  
Not too much.
