

Two o'clock in the morning

Restless and eerie time of night when the thoughts come unwanted into your head

V1

Regret creeps across the floor.
The moon is bright.
Everything
is black and white.

The sepulcher of secrets
opens wide
at two o'clock in the morning.

CHORUS

Go to sleep.
Rest your head.
Soon you'll meet.
Things you dread.

V2

Don't let your panicked heart
beat too loud.
It will draw
a hungry crowd.

Thoughts you don't want to hear
are amplified
at two o'clock in the morning.

CHORUS

Go to sleep.
Rest your head.
Soon you'll meet.
Things you dread.

V3

All the unpleasant things
that you've ignored
crawl out from
the closet doors.

Buried fears arise
behind your eyes
at 2 o'clock in the morning.

OUTRO

Let me fall.
Let me fall.
Let me fall.
Asleep.
