## V1

I'm feelin kinda empty.  
Feelin' kinda low.  
Tryin' to fill a hollowness  
deep inside my soul.  
Tryin' to keep on goin'.  
Hopin' for enough.  
Well, I need somethin' from ya.  
Need it more than love...

## CHORUS

I need dinner. Woe. Woe.  
I need dinner. Woe is me.  
Tryin' to stay strong  
but I won't last long  
without dinner.

## V2

Tryin' to get through life.  
Tryin' to survive.  
You can satisfy my hunger  
and make me feel alive.  
I'm tryin' not to beg.  
Tryin' not to plead.  
But I need somethin' from ya.  
You know what I need.

## CHORUS

I need dinner. Woe. Woe.  
I need dinner. Woe is me.  
Tryin' to stay strong  
but I won't last long  
without dinner.

I need dinner. Woe. Woe.  
I need dinner. Woe is me.  
Tryin' to stay strong  
but I won't last long  
without dinner.  
I need dinner. Woe. Woe.  
I need dinner. Woe is me.  
Tryin' to stay strong  
but I won't last long  
without dinner.

## OUTRO
