V1

We be 2 pints in and we're feelin' good.
We be strong and strappin' in this brotherhood
mm hmm hmm. Mighty men.

Our stories be salty; our battles be won.
Our jobs they be dull but now they be done
mm hmm hmm. 'cuz it's Friday.

CHORUS

For we be the mighty brotherhood of men.
Our age it be middle. Our hair it be thin.
But when we get together we be young again
and that be the power of the brotherhood
of men. Of men.

V2

Every week we get on like this.
We be bold and loud and full of pizza
mm hmm hmm. Pepperoni.

Our wives they be sittin' away from us
so we drink what we like and we can cuss
mm-hmm-hmm. if we want to.

CHORUS

For we be the mighty brotherhood of men.
Our age it be middle. Our hair it be thin.
But when we get together we be young again
and that be the power of the brotherhood
of men. Of men.

BRIDGE

We're bold and brassy.
Full of life.
We eat our salads.
We use our knives...

V3

Ah, here come the lassies; it's time to leave.
We give them our love, and the keys
mm hmm hmm. We're not foolish.

So drink up lads. We be goin' home
with our manly wit and testosterone
mm hmm hmm. In the family van.

CHORUS

For we be the mighty brotherhood of men.
Our age it be middle. Our hair it be thin.
But when we get together we be young again
and that be the power of the brotherhood
of men. Of men.
The brotherhood of men
The brotherhood of men
The brotherhood of men
