## V1

On the wings of the air, the butterfly.  
On the wings of the heart so free.  
Light as air everywhere, it's beautiful.  
You and me in the world perfectly.

## CHORUS

Over trees and the mountains  
On the breeze of forever  
You and me, we will float on and on...

## V2

La la la....  
Light as air everywhere, it's beautiful.  
You and me in the world perfectly.

## CHORUS

Over trees and the mountains  
On the breeze of forever  
You and me, we will float on and on...

## V3

On the wings of the air, the butterfly.  
On the wings of the heart so free.  
Light as air everywhere, it's beautiful.  
You and me in the world perfectly.  
You and me in the world perfectly.  
You and me in the world perfectly.
