V1

Well I'm a good fella
as far as I know.
I ain't been in jail
'cept two times or so.
I got me some money
and some of it's real.
Why don't you marry me Jill?

I got me a cabin
and a pile a wood.
I got most my teeth
and I sing purty good.
I used to be somethin'.
I kinda am still.
Why don't you marry me Jill?

CHORUS

Why oh why.
Why cain't you see what I see.
My oh my.
Why don't you marry me.

V2

We'll run through the bushes.
We'll fish and we'll hunt.
We can live with my mother
if that's what you want.
I got me a truck
it's just missin' a wheel.
Why don't you marry me Jill?

We'll have a nice weddin'
down by the creek.
I'll catch you some crawdads and
critters to eat.
We'll live in the woods
up on Sycamore Hill.
Why don't you marry me Jill?

CHORUS

Why oh why.
Why cain't you see what I see.
My oh my.
Why don't you marry me.

BRIDGE

I know I ain't perfect
but I'll do my best.
I'll keep you happy
and I'll keep you fed.
If I keep on askin'
I bet that you will.
Why don't you marry me Jill?

CHORUS

Why oh why.
Why cain't you see what I see.
My oh my.
Why don't you marry me.

OUTRO

Why don't you marry me?
And my u-kay-lee-lee.
Why don't you marry me Jill?
